About Me

My name is Kaisha Huguley and I am multi-hyphenate artist: actor, host, and digital media personality based in New York City. People know me as the woman who changed careers after winning an \$80,000 wedding from a theatre.

In 2017, I quit my full-time job with the federal government in Washington, D.C. and moved to New York City to become an actor and **this is one of the best decisions I've ever made.** Over the years, I've documented my creative journey online via TikTok, Instagram, and YouTube.

I am a graduate of the **Disney Creator Lab 3.0** & the **TikTok for Black Creatives Program** in partnership with Macro.

About the Kaisha Creates Community
